Cambodian Group Worships in Fireside Room in the Baskin Hall of Stockton Central Seventh-day Adventist Church

Bible Study: 10-10:45
 Divine Worship: 11-12

You are warmly welcome worship God with us!

"Happy Sabbath and Welcome to Stockton Central of Seventh-day Adventist--our Merry Christmas of 2003", Elder Sorn addressed to the church-filled crowd of 12 Cambodian Christians denominations of well over 500 people. 6 groups are in Stockton and the rest coming from neighboring cities such as Modesto, San Jose, Fresno, and Oakland...

We welcome them as brothers and sisters in Christ. It was, for many of them, the first time to see "Seventh-day Adventist--the Sabbath-keeping church". Elder Sorn has joined the Cambodian Christian Leadership

Team over 2 years and that was the second time that the CCL Team have chosen him to lead the Celebration.

We noticed few individuals from American members who showed up at the celebration: Marvin and Elsie Philippi, Beverly Cortner and Kimberly Cortner, Phil Dickinson and Mark Carlson. Thanks you so much for your supports of Cambodian work. It was great that we could share the love of God with others. And it is truly a blessing to witness for Him about His Remnant Church. May God bless you!

OUTREACH ACTIVITIES

Adventist Khmer Radio Ministry "The Voice of Love" still on...

The Voice of Love is still aired from Guam to Southeast Asian countries of Cambodia. It is a 30 minute broadcast in Khmer (or known as Cambodian language) to reach out some 15 millions of Cambodian in the main land and some few millions of Khmer Krom (Cambodians living in the lower land of Mekong Delta, presently Viet Nam). Pastor Sorn is a segment producer in Stockton California. He records Bible lessons, stories, testimonies, music, traditional music and mini sermons. It is amazing that all the work can be done in a very versatile and convenient way. Karl Forsee helped with the technical setup few years ago. All work can be uploaded electronically to the remote server and there Pastor Sereivudh Ly in Canada put together as a program and then uploads to Guam for broadcast.

[Please pray for the "Voice of Love" to sustain His work, preaching to Cambodia and the lower land of Cambodia.]

Marvin & Elsie Philippi

The act of kindness

Marvin and Elsie donated a Satellite Disc to Sam Ann Vann family. The Lord blesses a cheerful giver--The more you give, the more you get -- this has become a cliché in our Christian practice. More than that, they donate the disc that enables them to watch the 3ABN message without paying any dime for the rest to the time they own it. They scheduled with Samann so they could come out and install the disc on the roof. It is such a marvelous gift. We thank God for their generosity to provide means for the less fortunate. They support Cambodian work for years, along with many more individuals, not only with monetary assistance but also with their moral support as well. "They (Marvin and Elsie) are my Mom and Dad that stop by regularly to see if I am doing fine through tough time, personally, I cannot thank them enough, said Elder Sorn of Stockton Cambodian SDA Group".

HOME BIBLE STUDY

Sarin Pha studies the Bible regularly, scheduled to complete the doctrinal belief and ready for baptism on February 14, 2004.

BIBLE STUDY-- THE BEST WAY TO SHARE CHRIST TO THE WORLD

Traditionally, people feel that it is very successful if they have a lot of people attending a meeting or a classroom. That is not always true. God, at most cases, spoke to men individually. The point is that how clear our communication is. The one-to-one relationship is the most powerful

way to teach the bible or share testimonies. Pastor Sorn has known Sarin for quite a few years when he goes to visit Cambodia and brought some letter from Sarin's older brother living in Stockton. Sarin spoke to him with a sweet smile: "I want to become a Christian but now I am so busy to rear my family and my children. But what denomination should I join since there are so many!". Last September 2003, God opened the way for him to visit his older brother John Pha in Stockton for 3 months. We went to receive him at the San Francisco airport and visited them very often afterward. They become interested in becoming Seventh-day Adventist and committed time to study the Bible and doctrinal Beliefs. Sarin is a diligent student. We can see his life transformed. Back home in Cambodia, people will disown you when you become a Christian. But now he said: "I don't care if nobody will about me but I rejoice in my new life with my Lord and Savior and I will share my newly-found life with my family. Sarin returned home in Cambodia last April and got transferred to Phnom Penh Mission Church under Pastor Nhean Thornsovann.

CAMBODIAN GROUP WORSHIPS IN FIRESIDE ROOM IN BASKIN HALL

The Church Board approved the use of the upper fireside room in the Baskin Hall for Cambodian Group worship since early 2003. We thank the Board for their loving care of His work through Cambodian Ministry.

2003 CAMP MEETING

CAMP MEETING 2003 At Hodgdon Meadow camp in Yosemite National Park (July 27- August 3, 2003)

Our church families get used to camping and keeps it as our annual campout activity. The first camp meeting that I and few of our group went to was Wawona (in Yosemite Nat'l Park). That was 1993. And we have had camp meeting ever since. Despite some difficulties, such as car broke down, tire blown up, overheating on the road, yet our courage is still high. I know there are many reasons behind that, but the one reason that seems outstanding of all is that camp meeting is the only time that we are brought close to our creator, amongst nature that He creates. Besides, there are variety of programs that our members enjoy: group singing, Bible study and discussion, sharing of testimonies, prayer time, hiking, health messages, Bible bowl and kids love the most the last night in camp--the Talent Show. This year's Camp meeting was different. It rained most of the days and we got wet. But we still have joy talking with brethren from afar.

Half Dome Experience

We woke up early on a sunny Tuesday morning. As hikers, we had on proper attire and packed with food and water, ready to take on a strenuous hike. Although we were ready, we didn't know what to expect. The first three groups of people got a chance to get to the top of Half Dome. The view is breathtaking and spectacular. Then, the sky started to darken, and a thunderstorm came in unexpected. People started their way down the cables, down the face of Half Dome. The rain just started pouring, and since Half Dome is all rock, it's face started getting slippery. The situation became frightening, when the sound of lightning could be heard. The cables were all steel, and electrocution is quite possible. I was almost near the top of Half Dome. No one was moving, and we just held onto the cables, waiting for the rain to end. I fell on my knees and started praying. With rain pouring my face, I still had hope and faith. And I'm sure everyone else was praying too. Praying earnestly, I knew that only the mercy of God could keep me and all the hikers alive. Several minutes later, it just stopped raining. Looking up, I could literally see the rain clouds move away. Then, a great gush of wind was sent to dry the mountain. Now, we were able to get back down, and be safe. When I got back down, the wind was still blowing. I looked up and felt the breath of God.

OTHER ACTIVITIES

What are we doing now and next?

Steven (Lom) is the senior youth in our group who joined our Cambodian Adventist group in Stockton since 1992. Now he is church deacon along with Jimmy (Keo) Mai and Sarann Has. Before, all the work done by adults but now they can assist in many ways. Last year Steven was the lead in planning and reserving camp ground for Cambodian SDA Annual camp meeting in Hodgdon Meadow, Yosemite National Park. Everyone uttered: " Good job Steven, it is the most affordable camp site we ever had in over a decade". Thank you Steven and everyone who had part in this effort and for their service for our Lord. Every year we have planning meeting for two reasons: (1) to reflect on our past experiences and, (2) to ask ourselves --- What are we going to do next? Everyone can voice his/her concerns and share insight reckoning our Lord's return is at hand. **Remember, we count on you!**

CHURCH FAMILY EDUCATION

Four kids are in Lodi Seventh-day Adventist school this year: Sakary Sorn, Sofia Sorn, Sopheaktra In and Lisa So. Previous years, we had 6.

For years, Mrs. Sorn has a vanload of kids going to and from Lodi Seventh-day Adventist school every school day. It is her joy to see these kids doing great in school. It is wonderful that Lodi Academy is the Seventh-day Adventist Christian School that trains kids for service. It is equally great that parents are very supportive in children's education. Mr. Bo In and Mrs. Phorn Ung are both handicapped. They became Adventists many years and they got excited about Christian education. They sacrificed a lot to keep Sopheaktra in Lodi school. Sopheaktra himself has struggled a lot to keep his passing grade. But they enjoy seeing him a "**new man**" in his words and in his character. They live in a poor section of the city, where all kinds of bad activities exist. **Sopheaktra grows up as a different young man in that community that amazes all his neighbors.** The family comes to worship God every Sabbath despite at time there are scoffers and mockers. It is truly a witness for Christ. We thank God for their courage and faith in our Lord. We thank also the Stockton Central Education Committee for helping support our children in Adventist Christian school. Everyone cares and prays for our children. **Now they have both: education and Jesus.** Praise the Lord!

**Sofia won First Place in Greater Bay Area Spelling Bee Contest,
Second place in Bridge Contest, and
Valedictorian of 4.3.6 GPA from Lodi SDA Elementary School.**

We would like to thank the Education Committee, our Church families, our Conference and especially our Lord for this wonderful blessing to make tremendous difference in our children. **Without your generous support and prayer, these cannot be done this way.**

***Thanksgiving Dinner at Ry's House
 And Members' brief stories...***

Ry O. Thach has joined our church for 10 years now. She has been to Dialysis Access for the last five years. She loves God and has led all the children to believe in Him despite of her health condition. She has been on a waiting list for kidney transplant. She hopes that God will bless her some day. Ry and children keep the Lord's Sabbath and stand as witness in her neighborhood. She always found comfort from Vath who has been her close friend and sister in Christ.

Vath Keo raised 3 daughters by herself. I always recall the time when I picked up Saran and Shirle from the Apartment at Carrybrook near Townhome Drive just about a block from my house. They were so cute and came with me every Sabbath. For Several years, we saw them no more until one day at Pulliam School I met Vath who wait to pick up her daughter too.

WE WORSHIP THERE

We have renewed our relationship and I got a generous invitation to their house about half a mile away. We have found them all: Sary, Saran and Shirle but now they are grown up. All of them have Bible study with us every evening and finally they accepted Jesus as their personal Savior. They are diligent Bible students and studied a lot from the Bible and doctrinal Belief. Vath got baptized first and then joined by her 3 daughters a little bit later.

SamAnn and Sophorn were with us in Phanat Nikhom Transit Center in Thailand. One day I walked in PepBoy auto part store and met SamAnn who chased me with a big smile and hailed me from a short distance. He accepted our invitation to attend our church service and Bible study. He got baptized a year later and joined by his wife until about 3 years later. They have 4 children: Somaly, Somala, Johnny and Darline.

We all love one another and stay close to each other as family.

CHRISTMAS CELEBRATION

Pastors and leaders from various cambodian churches and denominations to our Christmas

All of us are searching for truth and the true God. Yet, most of us have been taught differently. They are devout Christians and committed leaders but things that most of us did not know still remain obscure. Jesus did not tell us in every aspect of life point by point and word by word, but His teaching was so powerful and easy to remember. His life of 33 years on earth was full of example-- the practical ones. About Christmas, He did not tell us to celebrate His birthday for no one knows exactly when his day of birth. But one thing we all should know is that Jesus was born by the inception of the Holy Spirit not by the flesh. One good thing in Christmas is that people remember Christ as God and Savior and that Jesus was born to bear our burden and to die for us but better than that Jesus requires us to Remember the Sabbath day and keep it holy... I think it is better because in lieu of once a year to remember Him as God and Savior, we can remember Him as Creator and Savior every week--the weekly cycle that no one can change nor alter. Brothers and sisters in Christ, God called us out of the world so we are no longer strangers to Him but as friend of His. We all want to be good Christians, don't we? As we walk with Him daily, we know that God is simple. And I want to learn more about Him daily. The easiest way is to follow His footprints that

He set forth for all of us not so long ago. Every year Cambodian Adventist group does different things to witness for Christ. Sometime they go out in the community to bring gifts and joy to them and to explain to them the meaning of Christmas. For the Christmas 2003, the Lord led us to invite them to see our Church. It was really blessed to see their joy in their faces. They don't mind sitting on the floor or standing for the program because they see Christ's spirit amongst them. We do not know what the Lord leads in the year 2004. Please pray that we have another powerful witness for Him.
